## Education

National Science Foundation Graduate Research Fellow	2018 - 2023
Colorado State University	2014 - 2023
Ph.D. in Applied Developmental Science	May 2023
M.S. in Prevention Science	Expected 2020
Graduate Certificate in Data Analysis	Expected 2020
B.S. in Human Development and Family Studies ( <i>summa cum laude</i> )	2018

## Research Experience

**Mindfulness and Family Resilience Laboratory (MFR)**, Lab Manager 2016 - Present

Director & Principal Investigator: J. Douglas Coatsworth, Ph.D.

Project administration, planning, and management; data collection with physiological and observational systems; R programming; data analysis; technical and scientific writing; recruitment, training, mentorship, and management of 10+ undergraduate research assistants

*Project Mind-Heart (PMH)*: Investigate effects of brief mindfulness induction on individual and dyadic patterns of physiological, affective, and behavioral indicators during challenging parent-child interactions

*Mindful Parent Observational Study (MPOS)*: Code and analyze behavioral and affective indicators of mindfulness and interaction quality in structured parent-youth interactions as part of randomized controlled trial of the Mindfulness-enhanced Strengthening Families Program (MSFP)

**Parenting Young Children Project (NICHD K01)**, Project Manager 2015 - 2018

Principal Investigator: Erika S. Lunkenheimer, Ph.D.

Project management, grant administration, participant recruitment and retention, technical and scientific writing, and data collection with physiological and observational systems for NIH-funded longitudinal study investigating parents' and young children's (2.5 to 4 years old) dyadic coordination of emotions, behaviors, and physiology and associated risk of child maltreatment and psychopathology

**Child Trauma and Resilience Assessment Center**, Intern Fall 2017

Principal Investigator: Lise Youngblade, Ph.D.

Director: Stephanie Seng, M.S.

Administrative and research support for SAMHSA-funded projects focused on state-wide trauma-informed training, development of adult trauma assessment, and trauma assessment provision for high-risk adolescents

## **Translational Research Experience**

**Douglas County CSU Extension Office**, Program Evaluator 2019 - Present

Principal Investigator: David MacPhee, Ph.D.

Program Director: Kyle Christensen

Evaluate efficacy and effectiveness of Youth Leadership Summit (October 17-21, 2019) for diverse Colorado youth

**SOS Outreach**, Research Consultant 2019 - Present

Principal Investigator: J. Douglas Coatsworth, Ph.D.

Executive Director: Seth Erlich

Qualitative and quantitative data management and analysis; study design and planning; R programming consultation; grant-writing to help bolster research-base for outdoor-based mentorship and leadership program for at-risk and marginalized youth

## **Software Development**

**Wendt, K.E.**, Zhang, S., Feldman, M.F., Anderson, G.B. (2019). psyphr: R package suite to wrangle, filter, visualize, analyze, and share psychophysiological data. In active development.

## **Peer-Reviewed Publications**

### *Under Review*

Skoranski, A.M., Lunkenheimer, E.S., & **Wendt, K.E.**. Flexible or inconsistent? The impact of parent-child dyadic flexibility on child emotion regulation varies by maternal depressive symptoms. Manuscript under review.

### *In Preparation*

Coatsworth, J.D., **Wendt, K.E.**, & Lunkenheimer, E.S. Effects of brief mindfulness induction on parents' autonomic activity during challenging parent-child interactions. Manuscript in preparation.

**Wendt, K.E.**, Coatsworth, J.D., Lunkenheimer, E.S., & Lucas-Thompson, R.G. Individual differences as moderators of brief mindfulness induction on parents' autonomic activity. Manuscript in preparation.

## Presentations

**Wendt, K.E.**, Zhang, S., Feldman, M.J., Anderson, G.B., & Coatsworth, J.D. (2019, November). psyphr.read: R package to wrangle and tidy psychophysiological data from proprietary systems. Poster presentation at the Graduate Student Showcase, Colorado State University, Fort Collins, CO.

Prendergast, S., Miller, R., **Wendt, K.E.**, Klinedinst, T., & Gerst, K. (2019, May). Informing precision prevention using latent class analysis. Presentation in the Sloboda & Bukoski Cup at the Society for Prevention Research Annual Meeting, San Francisco, CA.

**Wendt, K.E.**, Coatsworth, J.D., Lunkenheimer, E.S., & Cleavinger, E.J. (2019, May). Effects of mindfulness induction on parents' parasympathetic activity in parent-child interactions. Poster presented at Society for Prevention Research Annual Meeting, San Francisco, CA.

Toll, R., George, M.R., Duey, S., Nichols, K., Riggs, N.R., & **Wendt, K.E.** (2018, May). Promoting innovation in prevention science. Special Interest Group at Society for Prevention Research Annual Meeting, Washington, D.C.
